Certification scheme 3 according to the ČSN EN ISO/IEC 17067 including sampling and testing of product samples and factory production control assessment and surveillance by FPC assessment and testing of samples taken at the factory.

Certification Body confirms by this certificate that:

- performances of the product sample have complied with requirements of technical specification: Annex G, table G.1, group Bla - ČSN EN 14411 ed.3: 2017 – Ceramic tiles - Definition, classification, characteristics, assessment and verification of constancy of performance and marking
ISO 13006:2018 – Ceramic tiles – Definitions, classification, characteristics and marking – annex G, group Bla
- factory production control complies with relevant technical documentation and ensures that products put on the market meet the requirements given in the technical specification mentioned above.

This certificate refers to the Report of the Product Certification No. 030-063204 of July 1st, 2022, issued by Technical and Test Institute of Construction Prague – branch-office Prague, which has been handed over to the applicant. The report includes the conclusion of the findings and terms of validity of the certificate.

The certificate has 1 annex (1 page), that is to be considered an integral part of this certificate.

Plzeň, 1. 7. 2022

The certificate is valid till: 31. 7. 2025

Ing. Alexander Trinner
Deputy Manager of the certification Authority

Annex of the certificate No. 030-063205

Conditions of validity and using of the certificate:

1. Certificate of conformity has to be used only for purposes for which it was issued.
2. This certificate does not replace documents issued by the Authorized Body pursuant to the Government Decree No. 163/2002 Coll., as amended, or by Notified Body in accordance with Regulation 305/2011/EU of the European Parliament and of the Council, as amended;
3. Certified product must be permanently in compliance with the technical specification.
4. The certificate holder is obliged:
 - a) to inform the Certification Body about any changes: modification of product, production process, materials and/or changes of factory production control influencing the product conformity;
 - b) to inform the Certification Body about any changes of ownership, structure or management;
 - c) to record any complaints relating to non-conformity of certified product with requirements of the technical specification;
 - d) to take appropriate actions to eliminate the non-conformity and record actions taken;
 - e) to make records about complaints mentioned above available to the certification body when requested.
 - f) to allow the Certification Body to carry out periodic surveillance for the duration of the certificate.
5. Certification Body re-evaluates the product in case of a change of technical specification, in case of changes affecting product performances or in case of significant changes of ownership, structure or management.
6. The validity of this certificate is subject to a favorable evaluation of the results of the surveillance contained in the Surveillance Reports of certification body which are handed over to the certificate holder.
7. Against this certificate the applicant has the right to appeal to TZUS Prague, Quality Control Department within 15 days of receipt of this certificate.

This Annex is an integral part of the certificate No. 030-063205.

Plzeň, 1. 7. 2022
