

Série BLOCK je dokonalá kombinace nadčasového provedení granitu a nekompromisní kvality. Bohatá formátová škála slinutých neglazovaných dlaždic, povrchová rozmanitost, protiskluzné vlastnosti (R10/B) předurčují sérii BLOCK k neomezenému použití v interiéru i exteriéru veřejných i privátních objektů.

**„V duchu moderní architektury.“**

The Block series is the perfect combination of timeless granite design and uncompromising quality. The wide format range of sintered unglazed tiles, surface variety, and anti-slip properties (R10/B) make the Block series suitable for the unlimited use in the interior and exterior of both public and private buildings.

**„In the style of modern architecture.“**
