

Vysoce slinuté neglazované jednobarevné dlaždice série Taurus COLOR jsou etalonem vysoké úrovně naší výroby. Nekompromisní kvalita, rozmanité povrchy dlaždic a technické doplňky umožňují použití obkladů nejen v moderních, nadčasových interiérech ale i prostorech, na které jsou kladeny vyšší funkční nároky. Součástí série jsou i keramické tvarovky pro slabozraké a nevidomé.

„Harmonie bez limitů.“

The highly sintered unglazed single-colour tiles of the Taurus COLOR series are the benchmark of our high level production. The uncompromising quality, variety of tile surfaces, and technical supplies allow the tiles to be used not only in modern, timeless interiors but also in spaces with higher functional requirements as well. The series also includes ceramic shaped bricks for the visually impaired and blind.

„Harmony without limits.“
