ⓘ Balení obsahuje 5 ks od každého formátu. | The product is packed with 5 pieces of each format.

Všechny výrobky celé série vykazují velké odchylky odstínové diference V3. | All products of the entire batch show big deviations in shade difference V3.

Před pokládkou doporučujeme jednotlivé obkladové prvky vybírat z několika kartonů a výslednou plochu komponovat podle inspirativní fotodokumentace z katalogů RAKO případně z webových stránek www.rako.cz. Doporučujeme dva způsoby pokládky, a sice s orientací designu probíhající jedním směrem u všech dlaždic, nebo šachovnicové rozmístění dlaždic s pravidelným otáčením o 90°.

Before laying the tiles, we suggest you select from several cartons and arrange them as illustrated in the inspiration photo documentation in RAKO catalogues or website www.rako.eu. There are two recommended laying patterns to choose from: one is a strictly one-way oriented design, and the other resembles a chessboard look achieved through a regular 90° turn tiling pattern.
